How to Join Lifepoint in 3 Simple Steps

LIFEPPOINT

810 Austin Street, San Angelo, Texas 76903

Step One

Schedule a membership appointment

To schedule an appointment contact Membership Pastor Shane Dunlap. At the appointment you will learn what membership at Lifepoint looks like.

Step Two

Carefully consider church membership

After your appointment, review the materials provided and pray about your decision to join.

Step Three

Join the church

After you've had a membership appointment and have carefully considered the materials, you should know whether or not God is leading you to become a part of Lifepoint. If you're ready to join, you do so by presenting yourself for church membership during a Sunday service. Membership at Lifepoint is accepted based on one of these three criteria: 1) statement of faith, 2) transfer of letter, or 3) baptism at Lifepoint.
